

THE

ROAD

TRIP

J+J Flooring would like to invite you on a Road Trip to our headquarters in Dalton, GA, the Carpet Capital of the World. Our Road Trip is a comprehensive mill tour and education program intended to expand your knowledge of the design and manufacturing process - from concept to installation - and beyond. From product insight, design trends and technology, our Road Trip aims to inform and inspire you as part of our steadfast commitment to be a trusted consultant and resource.

LEARNING OBJECTIVES:

- Tour J+J Flooring's manufacturing facilities to see our fiber extrusion, yarn processing and finishing operations.
- Tour our new 500,000 sq. ft. Modular Flooring Center
- Meet with our product design team for trend insights and to view our latest creations
- Opportunity for CEU credits

We look forward to your visit.
